CALVARY BIBLE CHURCH

Service Opportunities

*Church membership at Calvary is an opportunity to exercise the gifts that God, through the Holy Spirit, has equipped each believer for the purpose of **serving** the local body of believers. In accordance with the very character of God, we are to give to others as we have been given to. The following is a list of areas in which members can serve others. This is not an exhaustive list, but represents present areas of service that are available from which to choose. Your individual abilities and gifts may be indicative of new areas of service for this body of believers. Prayerfully consider these or other areas of ministry in which you have served in the past, or are willing to serve now, and check the appropriate area.*
